JOHN K. HENDRICKS

The Great First District Lawyer
Will Speak.

Assigned to Hopkinsville Next
Monday and Has Ac-
cepted.

Although Gov. McCreary and Gov. Beckham cannot speak here Monday, by reason of another conflicting engagement, the State Committee has assigned one of the best speakers in the state to Hopkinsville.

Hon. John K. Hendricks will make his first speech of the campaign at the court house at 2 o'clock and it goes without the saying that his effort will be a great one. Col. Hendrick is conceded to be one of the foremost orators of Kentucky and a lawyer with few equals in the State. He was in Frankfort during the reign of crime that culminated in the murder of the Governor and will be prepared to speak as an eye witness about the lawless era of Taylorism.

The committee has positive assurances that Col. Hendricks has accepted the assignment and will certainly speak.

DEMOCRATIC HEADQUARTERS.

More Clubs Organized And Many
Names Enrolled.

The Third district of Hopkinsville organized a club of 75 members Monday night, with James West President and Geo. W. Phelps Secretary. Speeches were made by J. T. Hanbery and others.

On Tuesday night another big club was organized in the Fourth district of the city. W. M. Hancock was made President, R. M. Woodbridge vice President and C. F. Lacy Secretary. Judge Geo. F. Campbell made a rousing speech.

The only precinct not organized in the city is No. 2 and a Club will be formed for that precinct to-night at the committee rooms. The clubs already organized now number over 300 members in the city.

BOYD-JONES.

Popular Church Hill People Take
the Marriage Vows.

The marriage of Mr. Charles Boyd and Miss Sallie Edna Jones took place at the home of the bride's parents, Mr. and Mrs. E. D. Jones, near Church Hill, at 5 o'clock p. m., Wednesday. Elder H. D. Smith, of this city, performed the ceremony. The groom is a well known and prosperous young farmer, who has been associated, and no young man in that neighborhood stands higher than Charlie Boyd.

His bride is a very pretty young lady, possessing many rare accomplishments, and her charming manner has made her one of the most popular ladies of that section.

The KENTUCKIAN extends the usual congratulations to the happy couple.

CLUB AT LAFAYETTE.

South Christian Democrats Organ-
ize With Good Membership.

A Democratic Club was organized at Lafayette Tuesday night with about forty members. It is expected that the membership will be considerably increased at the next meeting.

GUTHRIE FAIR

The Guthrie Fair is in progress this week with a fine line of exhibits and a good attendance, in spite of the rain yesterday. An excursion train is being run from Madisonville every morning and with favorable weather the fair today and to-morrow is expected to bring together a great crowd.

STRIKE GROWS.

Now 126,000 of the 141,000
Miners Out.

No Trouble Has Occurred at Any
of the Mines—Almost a Com-
plete Tie Up.

Scranton, Pa., Sept. 20.—It was estimated last night that about 70 per cent of the mine workers in the Pennsylvania anthracite region were idle. President Mitchell, of the Mine Workers' Union, says the number out is now over 126,000. Two more of the Philadelphia and Reading collieries have closed. An interesting meeting was held at Jeddo yesterday, in which Strike Leader Mitchell, Operator Markle and Father Phillips met in a spirited debate. Strike leaders claim that the Markle mines will be closed to-day as a result of the meeting. The expected trouble in Ly-Ken's valley did not materialize, the leaders calling off the miners' march because of the bad feeling between union and nonunion men. At Shamokin, a committee of miners is making an effort to secure arbitration, but there is no other move toward a settlement.

JIM HOWARD

Tells His Story on the Witness
Stand.

Frankfort, Sept. 20.—Jim Howard was on the witness stand for five hours at Frankfort yesterday, and will be recalled to-day for additional cross-examination. It is the general opinion of those who heard his testimony that it did not help his case. He attempted to establish an alibi by claiming that he was at the Board of Trade Hotel when Gov. Goebel was shot, but the cross examination brought out many weak points in his statement. He also made a number of damaging admissions, and at times his memory was poor and he was perceptibly confused. In nearly every instance he admitted having talked with the witnesses for the prosecution at the times and places they mentioned in their testimony but defied the incriminating portions of their testimony.

HELD TO ANSWER.

The Case Will be Investigated by
Grand Jury.

The examining trial of Will Nance, col., who shot and wounded Will Wallace, col., at a dance near the city Saturday night, was held before Judge Campbell Tuesday. Nance was held over to the grand jury and his bond fixed at \$100. He failed to furnish the required bond and was returned to jail.

The condition of Wallace, the wounded man, is much improved and the chances for his early recovery are considered good.

TWO BIG FINES

And Some Smaller Ones Assessed
in City Court.

Ed Weakley, col., walking on street with questionable character, fined \$15 and costs. Work house.

Lula Ogg, col., disorderly conduct, fined \$20 and costs. Work house.

Bud Baker, col., using profane language, fined \$10 and trimmings. Work house.

Will Stuart, col., disorderly conduct, fined \$5 and costs. Paid.

Will Hughes, col., selling liquor without license within one mile of city limits, two cases, fined \$50 and costs in each case. Work house.

Mrs. W. S. Goodwin continues quite sick at her home on North Main. There has been no perceptible improvement in her condition for several weeks.

WE WANT THE MAN

Who is in the Habit of Having His Clothes
Made by a Merchant Tailor to Read This
Advertisemet.

The Fall Season is upon us and we know of no better time to have a talk with you about clothing than now. You don't think Ready-made Clothing is good enough for you! You don't think you can get a perfect fit! How do you know? Have you tried? It's true most Ready-made clothing lacks the style and character that you want. But, there has been a world of improvement made in Ready-to-wear Clothing. Don't you know that many of your friends have long since broken away from the merchant tailor. They have been convinced of the folly of paying a big price for clothes. Of course, it depends entirely on which store you are clothed from. We can give you just as good a fit and just as good tailoring in our Clothing as any merchant tailor, and it will have as much style and character; in fact, your friends cannot tell the difference. Above all

Think of the Economy

All our Clothing is made specially for us. Made-to-order by the largest and best tailors and manufacturers in the world. It's the "VITALS" BRAND, rightly named, because the insides, "Vitals," of all our garments are made on the same plan as the merchant tailor uses, to guarantee lasting shape and permanent perfect fit.

For Fall and Winter

We offer the very newest styles in Men's Suits and Overcoats. We want you to see our stock before you make up your mind to stick to your tailor, for we know we will open your eyes when you see our offerings in Men's Suits and Overcoats, at

\$8.50, \$10, \$12, \$15, \$18 up to \$25.

A conservative estimate places the devastated district of Galveston at 1,300 acres, which was swept almost clean of habitations, and the financial loss to the city and surrounding towns is estimated at from twenty to thirty million dollars.

Deafness Cannot be Cured
by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or impediment of hearing, and entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube re-opened to the normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free.

The State Board of Election Commissioners will shortly meet and appoint the county boards. Under the present law the boards have to be appointed during September and it is by no means certain that a change can be made in the law this month, if at all. Registration officers will be appointed under the old law as soon as the county boards are reorganized.

Jim Howard at Frankfort testified in his own behalf, denying everything brought out against him and declaring he was at the Board of Trade Hotel when Goebel was shot. Howard accounts for his presence in Frankfort by saying he was there to get a pardon from Taylor for the murder of old man Baker.

Editor John H. Westover, whose friends thought he had his race for congress won in the Sixth district, withdrew the first of the week in the interest of Jos. L. Rhinock, of Kenton, who is expected to win the nomination in to-morrow's primary election, over Berry and Gooch.

The Chinese colony of New York city is collecting supplies to send to Galveston. The principal item to be sent will be tea. It is said that this is the first time that any set of Chinamen in this country have joined together for the relief of sufferers from a great catastrophe.

The trial of Jim Howard is nearing an end and the impression prevails at Frankfort that a conviction is certain, though it may be only a life sentence. There have been only three hangings in Franklin county in a hundred years and the last of these was many years ago.

As a result of the elections in Cuba the National party will have a majority in the approaching constitutional convention. The blacks won in Santiago province and the whites have declared themselves annexationists.

L. & N. CONDUCTOR

Fell Under Car and Foot Was Badly Mashed.

Capt. Thos. Browning, the well known L. & N. freight conductor, happened to an accident in the yards here Wednesday morning, which may cost him the loss of a foot.

In attempting to board his train, he missed his footing and fell under a car, the wheels of which passed over his left heel, badly crushing it. He was immediately taken to the passenger depot, where Dr. T. W. Blakey, the Company's local surgeon, dressed the wound.

The bones were badly crushed, but it is thought that the foot can be saved.

Capt. Browning's home is in Earlington and he was taken to that place a few hours after the accident.

Sixth Successful Session.

The funny musical farce "Maloney's Wedding" is on its sixth successful season. The comedy is full of funny situations, sparkling music, songs and dances, and the latest musical compositions. The company is a large one carrying its own band and orchestra and introducing a novel street parade. The company will hold the boards at Holland's Opera House, next Wednesday night, September 26.

Rev. Yancey Wilson is engaged in a protracted meeting near Bryantsville, Tenn. The meeting is being held in a gospel tent and very large crowds attend each service.

WEED IN HOUSE.

Loose Buyers Are Preparing to Begin Operations.

The private sales of the weed this week were very satisfactory, though very little tobacco changed hands. Good leaf ranged in price from \$8 to \$10, while the common grades fully sustained prices of last week.

Receipts are still very light, with but little prospect of improvement until the crop of 1900 begins to move.

Reports from the country indicate that nearly all the crop is in the house and is being cured up nicely. The little late planting that remains on the hill will be cut in a few days.

Loose buyers are preparing to begin operations, but, as yet, we have heard of no sales being made in the country.

BURNING BUILDING

Falling In, When Occupants Escaped in Night Clothes.

The residence and nearly all the outbuildings belonging to Mrs. Pauline G. Lander, situated just east of South Kentucky College, were destroyed by fire about 11 o'clock Monday night.

The dwelling was occupied by Mr. Oscar Hanbery and family and they had a narrow escape with their lives, as the roof of the room in which they were sleeping, fell in shortly after being vacated.

Owing to the inaccessible location, no water could be thrown on the flames by the fire department and the property was soon reduced to ashes.

Mrs. Lander's furniture, stowed away in one of the rooms, also burned. Mr. Hanbery succeeded in saving only a small portion of his household effects. Mrs. Lander's loss is estimated at about \$1,500. She had only \$600 insurance.

The loss on Mr. Hanbery's property was about \$500, with \$300 insurance.

The fire, it is thought, originated from a flue in the kitchen.

This is a seven month's record, beginning in February and completed in August.

The record of the company in regard to profits to its investors places it far in advance of all would-be rivals. Of the first months coupons (2000) sold, on the seventh redemption in August, only 485 were left on the books, which means that over 75 per cent. have been paid off at their full redemption value. Of the second month's stock it has redeemed over 20 per cent. or more than one-fifth of it. Of the 3rd, 4th, 5th and subsequent month's stock sold, not including the special redemption of the Hopkinsville branch, an average of 18 2-3 per cent. has been redeemed. Under the action of the Directors of the Company, a special redemption was granted to the Hopkinsville Branch of The Union Finance Company, for out of the first month's stock of 1500 coupons sold in August, 500 were redeemed in August. The Company also grants to those of the Hopkinsville Branch who buy stock during the month of September a numeral of 10. So that any purchasers who holds as many as ten coupons may be sure of at least one redemption. Again the Company has already paid in the redemption of coupons in the short space of its life \$15,412, an average of over \$2,200 per month. Of the 9360 sold in Henderson and Owensboro, the Company has called in, redeemed and canceled 2984, which is nearly 32 per cent. of the total on the Home Office books, and which makes a splendid average of 426 coupons for each of the seven months.

The leading features of a good investment Co. may be enumerated as follows: 1st. The integrity & ability of the men controlling it. 2nd. The contract or plan. In regard to the first the following testimonial of Mr. B. G. Witt, of Henderson, who is cashier of the Ohio Valley Banking & Trust Co., is submitted, endorsed by such people as Wyatt Ingram, Jr., of Farmer's Bank & Trust Co.; Clay & Clay, Yeaman & Yeaman; "Henderson, Ky., June 30, 1900, Messrs. Laffoon & Langley, Madisonville, Ky., Dear Sirs: Replying to your inquiries concerning the standing of The Union Finance Company of this place and its officials, we are pleased to state very positively that its rating here in financial circles is of the best character. Its directorate is composed of some of the most conservative and successful business men in the commercial activities of our city. Their control and management assures the business public honorable and fair dealing. Respect, B. G. Witt." With regard to the second feature, viz: "The Contract or Plan," The salient points of a good plan or contract may be stated. 1st One which guarantees economy in its management, 2nd, One which yields the largest profits, consistent with safety, 3rd, One which most amply guards all of its investors. Touching the first point, The Union Finance is the only Company in the world which grants a redemption value on the first month. This is the highest possible guarantee to every investor of economy of management and gives every assurance that the expense of putting the business on the books will be kept at the minimum and it also secures a saving of time to the investor of from 3 to 6 months. The books of The Union Finance up to this date will show a total expense of less than 25c per coupon now on its books. Referring now to the 2nd point. The Union Finance pays a maximum value of 200 per cent for every dollar paid in. Then again the Reserve Fund of The Union Finance, that bulwark of safety to the certificate holders, there is a larger and more adequate provision made in the plan of The Union Finance than in that of any other Company in existence, for in addition to the 15 per cent of every dollar paid in, which goes immediately into the Reserve Fund. There is an additional clause which when a coupon is redeemed a dollar from the Redemption Fund may be added to the Reserve, also all fines, forfeitures and reinstatement fees belong to it, so that considering the fact that 65 per cent of every dollar, a larger Redemption Fund than is provided by most Companies, goes into the Redemption fund of this Company, it is clear to any unbiased mind that the plan of this company is more safely guarded than that of any other.

The Olympia Opera Company Pleases the People.

The performance given by the Olympia Opera Company at Temple theatre last night was as good an attraction as has ever been seen in Owensboro, and theater goers should not fail to turn out in goodly numbers each night during the engagement.
